BOYS & GIRLS CLUB
OF THE LOWER NAUGATUCK VALLEY

Dear Friend of the Club,

Each year the Boys & Girls Club of the Lower Naugatuck Valley's Alumni & Friends Club conducts a golf outing to raise funding to support youth programs and provide equipment to our local clubs. With more than 3,500 Club members in our locations in Shelton, Ansonia and Oxford, the need for more programs, more program funding, and Club equipment has become a focus of the Alumni Association and we are asking for your help!

Over the past 20 years, our Alumni & Friends Association provided the Club with over \$500,000 in funding for various programs and equipment.

We hope you will consider becoming a sponsor or prize donor for our golf tournament. If interested, please fill out the enclosed sponsorship form and help us provide our members with a great future.

Your support is greatly appreciated.

Sincerely yours,

Chris Jones
Alumni & Friends
Club President
