IMPACT REPORT

THE CLUB EXPERIENCE

The Boys & Girls Club of the Lower Naugatuck Valley fills the gap between school and home. We provide a welcoming, positive environment for children and teens to have fun, participate in life-changing programs, and build supportive relationships with peers and caring adults.

ALLEYANNA F.
2024 YOUTH OF THE YEAR

"The Club has been my place from day one. The place where I can feel safe, comfortable to be myself and loved. It is the place where I have found my reason and motivation to help and inspire youth to reach their goals."

Joining the Club at six years old, Alleyanna gained confidence with encouragement from her mentors. The Club provided acceptance, leadership skills, and ignited her passion for helping younger children develop better problem-solving and coping abilities.

As Alley concludes her last year at Ansonia High School, she remains committed to achieving greatness in every facet of her life and is gearing up for an exciting senior year!
