Jack Ribas, Executive Director of the Boys & Girls Club said, “The Coleman Bros. Carnival has been supporting programs for the Club for the past five years. They have donated more than \$50,000 to help us help our kids.”

Mike Healey, President of the Boys & Girls Club Board of Directors, said, “I have been working with Bob Coleman for many years, even before I became involved with the Club. They run a first-class operation, great rides at a fair price, and they always help a local charity like the Boys & Girls Club.”
