**BOYS & GIRLS CLUB HOLDS MEET THE KIDS NIGHT**

**Shelton, CT, February 11, 2009** – The Boys & Girls Club of the Lower Naugatuck Valley is holding Meet the Kids Night, a fundraiser for the Keystone Club, on Wednesday, February 18, 2009. At this event, Keystoneers will relate personal stories about what the Boys & Girls Club means to them. The event is being held to raise money for the Keystoneers to attend the 2009 National Keystone Conference in Atlanta, GA, in April. The night will include a ziti and meatball dinner, and tickets can be purchased in person at the Clubhouse, One Positive Place, Shelton.

Keystone Club is a youth leadership program that allows teens ages 14-18 to be better people and help out in their communities. They learn skills such as money management, career exploration, and how to work with others and learn team-building skills. Attending national and regional conferences allows members to discuss relevant teen issues with other teens from around the country.
