FOR IMMEDIATE RELEASE

Boys & Girls Club Opens Before School Program for Irving & Bradley Schools

Shelton, CT, August 5, 2014 – The Boys & Girls Club of the Lower Naugatuck Valley now offers a before-school program for students of Bradley and Irving Schools in Derby. The program will be held at our Raymond P. Lavietes Clubhouse in Shelton. Registration is all online at www.BGC-LNV.org/SheltonClubhouse.

In the morning, parents may drop their children off at our Clubhouse as early as 7 am. We will transport students to Bradley and Irving schools in time for the start of the school day with our Boys & Girls Club vans. The before-school van transportation fee is included in the cost of membership. The program will also open early to accommodate delayed openings, but parents must refer to our Parent Handbook for important details and hours of operation. Membership discounts are available for siblings and for any kindergartener through 7 year old who will also attend our after school program. Van fees for after school programs are paid separately.

Parents needing van transportation must complete their child's online membership application by August 19 and come to the Clubhouse to complete a Transportation Application and pay by August 21 if they would like transportation for the first day of school. Registration will be closed from August 23-September 3.
