CLUB MISSION & HISTORY

Mission
To enable all young people, especially those who need us most, to reach their full potential as productive, caring, and responsible citizens.

Core Values
Here at the Boys & Girls club of the Lower Naugatuck Valley, we have adopted six core values which exemplify our mission: fostering an environment that is safe and teaches our children to be trustworthy, respectful, inspired, dependable, and enabled.

Who We Are – What We Offer
The Boys & Girls Club of the Lower Naugatuck Valley is for boys and girls Kindergarten through High School, of all ethnicities, races, and creeds. Trained professional staff provide our members with positive adult mentors and role models. Nationally recognized programs help our young people succeed in school, stay healthy, learn important life skills, pursue interests in the arts and sports, and explore vocational choices. Our Clubhouse is a safe and affordable place to learn and grow, all while having fun.

History
- Established in 1926 as the Community Building Association
- Incorporated as a Boys Club in 1956
- Merged with the Community Center in 1969
- Girls became full-time members in 1980
- Changed name to reflect service increase to entire Valley in 1993 to Boys & Girls Club of the Lower Naugatuck Valley
- Opened new Clubhouse in Shelton June 1999
- Opened new Clubhouse in Ansonia May 2009

The Boys & Girls Club of the Lower Naugatuck Valley, Inc., is a drop-in program, chartered by Boys & Girls Clubs of America, and is exempt from state daycare license laws, as per State Statute Section 528 Subsection (b) of section 19a-77(7), like schools and recreation departments. Our drop-in after school program follows membership requirements and safety standards set forth by Boys & Girls Clubs of America. The Club is a non-
profit (501c3), private organization for dues-paying members. Memberships are required to use the Club facilities.

**HOURS & COSTS**

Snow Days/Inclement Weather
The Club usually opens by 10 am if there is no school due to snow or other inclement weather. This depends on how bad the weather is. Sign up for our Weather Alert emails which will notify you of any change in Clubhouse hours. You can also check our website (www.BGC-LNV.org), our Facebook page (www.facebook.com/bgclnv) or sign up for email newsletters. See Emergency Notifications on page 6 for important information.

Delayed Opening Policy
Since we operate on the Shelton Public Schools schedule, if Shelton has a delay, our before school programs will be the same as that of the school. Meaning, for a 2-hour delayed opening, our building will open two hours later than normal (instead of 7am, we will open at 9am).

Early Dismissal Policy
The safety of the children is our primary concern. If there is an early dismissal due to inclement weather, Shelton school buses will still transport. Parents must provide transportation for their children when their child’s school is dismissed early due to inclement weather (or any other unplanned early dismissal), and parents must notify the school of those transportation arrangements. All children will be expected to go home after school if their school has an unscheduled early dismissal, not related to weather (sometimes one school will close because of a unique situation i.e., water main break or COVID-19). We will pick children up on regularly scheduled half days.

Emergency Notifications
Mass communications about our Clubhouse hours will be sent to parents through our e-mail newsletter: snow day hours, delayed openings, unscheduled early dismissals, holidays, and anything else that changes our normal hours. To sign up for our newsletter, email LavietesClubhouse@BGC-LNV.org with “emergency notifications” in the subject line. Please allow two business days to be added to our list. We will also post information on our Facebook page. To receive Facebook updates, like our page at www.Facebook.com/BGCLNV.
Payment Policies
As a non-profit organization, we are dependent on prompt payments from all our Club families. Payment for all monthly programs is due by the 20th of each month to avoid a $30 late fee. Nonpayment will result in suspension from the program or transportation service. Monthly programs are not prorated.

Bounced Checks
A fee of $25 will be charged for each check written to the Club that is returned by the bank. If more than one check is returned within a calendar year, you will be required to pay with cash or money order for the next 12 months.

Past-Due Balances
The Boys & Girls Club of the Lower Naugatuck Valley cannot carry past-due accounts. All current account balances must be cleared prior to registration for each new year and/or Summer Camp. Families are encouraged to make an appointment with the Unit Director to address financial issues in a confidential atmosphere.

Year-End Tax Statements
Year-end tax statements may be requested beginning in January. Please allow two business days from the date your request is received to print your statement. Statements will be left at the Membership Desk when they are ready; no exceptions. With potentially hundreds of parents requesting year-end tax statements, your patience is appreciated.

Absences
Our Club expenses are based upon the number of children enrolled. The absence of your child does not reduce the expenses of the daily program. We are unable to allow deductions, credits, refunds, or make-up days. You do not need to call the Clubhouse if your child will not be attending on a certain day, nor will you get a phone call from the Club inquiring about your child’s absence.

Late Pickup Policy
Our program hours are staggered for different age groups, and we staff each age group appropriately. Once your child’s program ends, our staff leave the building; we do not keep staff on the premises after a program
ends to supervise members. We rely on parents to pick their children up promptly. Should parents be late for any reason, the following policy will be in effect:

1st Incident: Friendly reminder of our program hours
2nd Incident: Late fee of $20 per 15 minutes will be charged
3rd Incident: Your child will not be able to attend the program for the following 5 days
4th Incident: Your child’s membership will be terminated without refund

If a child has not been picked up within 15 minutes of our closing time, our staff will call the child’s parents at all contact numbers listed in the child’s registration. If they cannot be reached, staff will call the emergency and alternate contacts. When all avenues of reaching parents have been tried, emergency contacts have been called, and more than 1 hour passes, we have no other choice but to turn custody of the child over to the Shelton Police Department. Two staff members at least 18 years of age or older will remain with the child at all times.

REGISTRATION
Registration is all online at www.BGC-LNV.org. Beginning in August, you may register any time throughout the school year. CLUB RULES & POLICIES

Membership Cards
Each member is issued a membership card upon joining. They are expected to bring this card with them and to scan it electronically each time they enter or leave the facility. Members who do not bring their card face extended waiting periods and reduced access to equipment. Having to maintain their cards helps teach kids responsibility, which is sure to benefit them later in life. Replacement cards may be purchased for $2 each.

Entering and Leaving the Club
- Members must sign in by scanning their membership card at the
Membership Desk daily
• Parents must come to the front door/foyer to pick members up
• Members who leave the Club without permission will be suspended from the Club. The Club is not responsible for children who leave the building without permission.
• Parents, do NOT park in front of the building; it is a fire lane, and it blocks the school buses from dropping off children, and you risk having your car towed and are subject to fines.

Behavior Management
The Boys & Girls Club of the Lower Naugatuck Valley seeks to build a child’s self-esteem by helping him or her develop self-control and responsibility for his or her actions. We never use physical or corporal punishment. To minimize the need for disciplinary action, a few simple rules are established at our Club. These rules set limits of behavior for the safety and protection of the children. We train our staff and volunteers to be firmly supportive and consistent in their approach. Our goal is to help each child achieve self-control.

We ask you to support us in encouraging positive behavior with all the children at our Club and to use appropriate language and attitude while visiting our Club.

Club Rules
• No leaving the Club without permission
• Respect is a must...no profanity, fighting, or rudeness
• No running, roughness, or horseplay
• If you break something, you will be asked to pay for it
• No sitting on tables
• No hats
• No smoking, chewing gum, or gambling
• No food outside of the food court
• Members must stay with their group
• No hanging around Club property

Termination Policy
If the following situations should arise, we may ask that your child be withdrawn from our program
• Verbal or physical abuse by your child to other children or staff
- Use or possession of alcohol, drugs, or any other illegal substance
- Possession of a weapon or any item which could cause bodily harm
- Defacing or destroying the Club’s property. Members will be asked to pay for anything they break and will be suspended until payment is made.
- Disrespect or refusing to listen to staff
- Running/leaving the Club
- Not following transportation safety guidelines that could cause physical harm to himself/herself or other others

**Discipline Process**
- Verbal warning
- Time-out, written discipline notice
- Meeting with parent, written discipline notice
- Suspension without refund
- Expulsion without refund

If your child is suspended or expelled from the Club, it is expected that they will be picked up from the Club immediately.

**Visitors**
*We will not be accepting visitors/volunteers at this time.*

In order to provide a safe environment for all members, all parents and visitors must check in at the Membership Desk. Parents are to remain at the Membership Desk while Club staff locates your child. All visitors must have permission to enter the Club, and acceptable attire and behavior are required to be permitted access to the Club and our activities. Any person not following the rules of the Club will be asked to control their behavior and/or asked to leave the building. If police are called to escort people from the building, that person(s) will not be allowed back into the building.

**Gym & Auxiliary Gym**
- Members must wear sneakers to participate in gym programs
- All spectators must sit in the bleachers
- Only coaches, staff, and participants are allowed courtside
- Lockers are available. Please bring your own lock. Locks must be removed daily.
- No food or drinks other than water allowed in the gym or bleachers.
Groups
Members must stay within their group area. Failure to do so will result in Club suspension.

Personal Belongings
The Boys & Girls Club of the Lower Naugatuck Valley is not responsible for lost or stolen personal items, including, but not limited to: cell phones, iPods, iPads, tablets, lap tops, readers, headphones (which are not permitted to be worn or used at the Club), money, and clothing. To avoid items being lost or stolen, members are encouraged to leave all personal items at home. Lockers are available; just bring your own lock. Locks must be removed nightly. Book bags and coats should be put in the games room cubbies.

Lost & Found
Mark every article of clothing, your child’s backpack, lunch box, and all belongings with your child’s first and last names. We have a lost and found area where items are stored for up to two weeks. Due to limited space, if items are not claimed, we will donate the unclaimed items to a community agency. Please check with your child before you leave the Club to ensure he or she has all of their belongings.

Smoke-Free Environment
Our Club is a smoke-free zone, and we maintain a smoke-free environment. We ask that you do not smoke at our Club, in our parking lot, or in the view of the children as you drop off or pick up your children.

Illness & Emergency Procedures
If your child is not well enough to attend school due to an illness or contagious symptom (including head lice), they may not attend the Club. If a member becomes ill, staff will contact the parent, and it is expected that the member be picked up within 30 minutes after the call. The Club will not keep seriously ill children or children who have temperatures of 100° or more at the Club. If a child is sent home due to vomiting or having a fever of 100 of more, they cannot return until they are fever free or have stopped vomiting for 24 hours. In case of accident, the parent will be contacted right away to determine the status of medical attention required and the best manner to provide adequate and proper aid.
Emergency situations will be taken to the hospital immediately.

COVID-19
We follow all local, state and federal guidelines pertaining to COVID-19. Guidance is given by Naugatuck Valley Health District on a case-by-case basis. If a member or staff becomes sick with COVID-19 or is suspected to be sick with COVID-19, parents must contact Jennifer DeLeon, Unit Director to make her aware of the situation and receive information regarding your child’s return to the program. Mask wearing for Club members and staff is recommended and welcomed, but not required. Protocols for intensified cleaning and disinfecting will be implemented.

Head Lice Policy
The Boys & Girls Club of the Lower Naugatuck Valley has a no-nit policy. Any child with lice will be sent home and not allowed to return until a medicinal shampoo procedure is completed and their head is free of all nits. Children will be rechecked by a first aid certified staff and will be sent home if any nits are found. We will hold random checks, performed by first aid certified staff, throughout the year to ensure a nit-free environment for the health and safety of all Club members.

Medicine
If your child requires an epi-pen or inhaler, a completed Authorization for the Administration of Medicine form must be submitted with the medication. Children requiring these medicines may not attend without one of these properly completed forms. The Boys & Girls Club does not accept or administer any other medications. We will, however, make reasonable accommodations for a parent or guardian to come administer any other needed medications. We must know of any medications your child takes, even at home, in case of emergency. Please note that we are not a peanut-free facility.

Toilet Training
The Boys & Girls Club of the Lower Naugatuck Valley does not accept children into membership who are not toilet trained. It is the same policy that governs acceptance into the public schools, which is designed not only to prevent “accidents and distractions” during the course of the school day, but to ensure the well-being, health, and self-esteem of the child. However, from time to time, accidents may happen. In the event of
an accident, you can expect these procedures to be followed:

- Club staff will clean your child as well as possible and will provide clean clothes for the child to wear while waiting for their parent to arrive.
- Parents will be notified immediately through the contact numbers provided on the child’s registration. Children will be kept in the Director’s office until the parent arrives.
- Parents are expected to respond as quickly as possible and to bring clean, dry clothing for their child. If we provided clothing, parents are to launder it and return it the next day.
- Huggies®, Pampers®, or any other type of diaper or “pull up” are not acceptable undergarments and will be taken as a sign that a child is not toilet trained.

Any child who has more than two toilet accidents during a program season will be considered not toilet trained and will not be allowed to participate in Club activities for the remainder of that program season. A pro-rated reimbursement for membership or program fees will be issued, as determined by the Club.

WE LOOK FORWARD TO A WONDERFUL SCHOOL YEAR WITH YOU AND YOUR FAMILY!
